“ Darrell has been my friend, my 'buddy' for a long time now and I had always been so proud of that, and then I just happened to end up being his daughter-n-law, and even prouder to be so. I will miss him dearly. I will always remember the good times we all had at the farm. You will not be forgotten.

“ My dear friend, My heart aches for you and your family at this great loss. You know you are in my thoughts and prayers and I will keep you there. You told me Gene asked God to let him die in his sleep - and God did. That has to give you a good feeling about where Gene is now. I'm here when you need me.

“ My deepest sympathies go out to Joyce and the entire family. I only met Gene once, at Joyce's retirement party, but it was a memorable meeting. We both had coon-hunting in common and had many stories to share. I am so sorry for this world's loss of Gene, but take comfort in the fact that he is now in heaven with the Lord. We will see him again one day.

“ We are so sorry to hear of his passing. Gene meant a lot to me, I enjoyed hearing his stories. I was especially proud of him seeing my children, they were both fascinated by him and enjoyed talking to him. He was a mans man, you don't see them often anymore. We will carry our fond memories of him with us forever.

“ *Joyce & Family,*

*Darrell would laugh & call me a blast from the past. I was one of the many he worked with, laughed with, and fussed with at Merchant's for the 17 years I was employed there. I have many good memories of a kind, caring & enjoyable co-worker & friend and just wanted you to know that my thoughts & prayers are with you & your family. I know he will be greatly missed by many.*
