“ I am so sad to hear this tragic news. Rock was such a great person. He was such a thoughtful and caring person and was always there at the time of need for others. We all became friends back at Lynbrook Elementary with Cathy and the group was always tagging along with Rock and his friends over the years. We had great times. We were able to enjoy a few trips to Lake Anna with him and Gary too. My thoughts and prayers are with you all at this time. RIP Rock Beyer.....

“ I was so sorry to hear about David. It sounded like he lived his life to the fullest. I loved looking at all the pictures of David and your family. I especially enjoyed the ones of him fishing. It was a beautiful service for him. It was so nice to see everyone. I just wish it had been under better circumstances. My thoughts and prayers are with Gary and the entire Beyer family.

“ So sorry for your loss to the family. I met David late 2012 and we shared memories of growing up in the area and proud to have met him .

He invited himself down to my house (as long as he could fish)
Today without knowing I looked for his card, I was going to call him Wed. to help complete some things at my mothers before she returned from hospital. Mom asked for a colossal donut and a Prince William Times paper from Shoppers for the morning.

Tonight I sat on my deck for the 1st time in ten years and read the newspaper...very few people I would call a friend but Dave was one. He always kept a box of Texas Cinamon Rolls within reach in the Astro. He had this crappy droplight that was his Dads, he had it for over 20 years.

Sorry for your loss to family and friends and the special one too,
please let me know if I can help in anyway.
