“ We love you Dave. We'll miss you more. We'll never hear Unchained Melody again without seeing you singing it and raising up on your toes reaching for the high notes. The Earth has lost an awesome man but Heaven just got a new lead singer.

“ Dave was and always will be our "brother from another mother" as he would say. He was an inspiration to many. The choir in heaven sounds much better with him singing in it. We love you Dave and will see you again in heaven. Prayers to Jean and his family.
