“ Tracy,
I just learned of your dads passing. I feel terrible as you know I would have been there with my arms around all of you. Mr Fisher was a good man as was all our fathers. My deepest sympathy to the family for your loss.

“ Dad, I am going to miss our Friday nights that we spent together. I'm sorry I didn't take the time to come and see you more often. Please know that I treasure all the times we came to the lake and we went out on the boat with you and Mom. You tried real hard to throw me off the tube but you never could, LOL. I remember the last time we went fishing I was helping you instead of you helping me and that makes me smile. You were a good Dad that always took the time to be a good teacher. In times of need you were always there to help, listen or give advice. You taught me to be the person I am today and I thank you for that. Know that we will take care of Mom no matter what. You will always be in my heart and I can't wait to see you again.

With all my love,
Susan

“ Dear Carolyn and family...we were so saddened to hear of Dave's passing. I know we haven't visited in years but I remember so well all the wonderful times we shared with you and Dave and all the warm memories we have of the two of you. I remember especially Dave's caring and kindness that he shared so easily. His wonderful smile and laughter could light up a room. I especially remember Dave and my Dad on the back porch telling stories and roaring with laughter. Dave will be so missed by so many. Our love and prayers are being sent to you. You will remain in our thoughts and Dave will remain in our memories.
Love, Paulette, John and Ann

“ Carolyn and family, While we were saddened to learn of Dave's death, we also know the journey that he had traveled and that he now rests in Heaven. May he rest in peace and may you now find joy in that he has gone to prepare a place for you. We loved having Dave and Carolyn in Mineral and Dave will be missed.
