“ I went to work for Dave the Monday after Thanksgiving in November 1978 and from the very beginning I liked him. We remained friends for the whole time we worked at the Fairfax County Water Authority and after. In the past few years he would stop by and visit me at the car dealer I work at in Gainesville and I always enjoyed seeing him! We would enjoy sharing the same old stories over and over! I will miss him riding up on his bike which I know he enjoyed immensely! He will be missed!

*My condolences to his family!
May God be with you at this time!*
