“ *I was part of David's work family in DC at the OCFO and saw him and worked with him everyday. There was never a task he couldn't handle or shy away from. He saw what needed to be done and did it. He gave much needed help to his boss and co-workers. We were blessed and very lucky to have him as long as we did. He was a great friend and confidant. He told it to you straight and did not BS you. All of us in the office shared a love of music so he fit right in. He had lots of friends there and was known as one who could be depended on. We all loved him and will miss him terribly. Our love, hearts and prayers go to his entire family. He will never be forgotten.*

“ Concetta,

My sincerest and heartfelt condolences to you and Dillon, family members and friends.

I was a motorcycle riding friend of Dave's back over a decade. He was always fun, jovial, and a dependable friend. Anytime you needed help or someone had an accident with their bikes, no matter how late (or sometimes early) the hour, he would stick around until the bike was fixed to where a companion could make it home or until we found suitable transportation. That being said, you did not want your suitable transportation to be on the back of the your boys bike, or that fun, joking side of Dave came out.

He went by the moniker "Twisted" and he knew me by the moniker "Brix". We thought we were a part of riding group "Street Wolves" but we soon realized that the riding group was simply an excuse to spend time on our bikes with some good friends.

During times like these of bereavement, we wonder how the time can so quickly slip away. Also during times like these, we are reminded to not take time with friends, family and love ones for granted.

It is often said that the good ones leave this world too soon. Concetta and Dillon, I want you both to know that your husband and father was not one of the good ones... he was one of the GREAT ones!!!

"Twisted", I am truly going to miss you brother.

*Sincerely,
Kevin "Brix" Lee*

“ Dave was always full of jokes, laughs, smiles, and life! It saddens my family to see him taken away so young. His love for Cetta and Dillon was immeasurable. He will be sorely missed and we will treasure the memories we had as friends and extended family. We will stay Triple Threat strong. See you soon, Dave. We love you.

Love,

“ Flosi,
I only known you a short while. While only for a short while working with you at Interstate; you brought the healing power of laughter and fun to the work site and made the days go by. Watching you play the drums and watching you just letting go. Swinging the golf club on the train tracks. Man. I will miss you and the good times we shared; will never forget you and will always honor your memory. May you rest in peace.

“ Dear David, I was in Rota Spain waiting outside with your father the day you were born . Now I must say goodbye to you before your time. There were many funtimes in between the years. The day in the vine yards with Justin in Naples Italy. The fun you and Justins had in the gardan in Northern Ireland and the times in 29 Plams. All the family holidays. Too many memories. Justin alwsys felt you were like a brother to him . You were so much part of our life. It wiil be hard to realize you have passed into another time The only consolation is that your father and grandfather will be there with you. You are dearly loved and will alwsys be our hearts and memory. Love Aunty Marlon
