“ I’m praying so hard for all of you. I pray that knowing he is smiling in Heaven with Randy and all the ones he has loved here on earth, provides comfort and eases the pain to your broken hearts. Aunt Shirley, I love you all so much. I know your heart is hurting unimaginably right now. I love you so much. I want you to know that our loved ones who have gone before us will never be forgotten and will continue to be loved until we are all together again. ~Megan~

“ Every time I saw Uncle Gene he always had a smile. That smile and personality was so precious. I always asked if he had any new jokes and it was like watching a television turn on he’d make me laugh so hard. Where did he get them all? I know he’s with Randy and all his loved ones, but he will be sorely missed by me and my family.
