“ *What a wonderful gentle kind boss and human being. He was always ready and willing to help in any way he could to people in our office. I remember many conversations with him on the Titanic , there was no one who knew more. He had such a passion and joy talking about the ship and it was fascinating to hear him.*

Dave and I were classmates from Herlong Elementary through Lassen High and then work at Herlong. The last time I spoke with him he informed me that his twin Dee had died and that he was taking it rather hard. I told Dave that I was always available if he wanted to chat. One of our mutual friends, Dale Egbert was in monthly contact with Dave and he just called me to ask whether I knew anything about him. I'll relay the sad news to Dale.
