“*When I remember Dave, I fondly think about his infectious smile & laugh and how he enjoyed people. I am very thankful for the memories and time he spent being my boss and friend. He also was a great listener for my Matthew & Hannah stories. He loved to share his grandchildren stories too!! We had fun. He was a very special person and will be sorely missed. May God hold your family close in the days ahead as you go through this difficult time. We will always remember Dave in our hearts with smiles, laughter and tears...*

Take care and God Bless

*Love,
