“ I want to express my deepest sympathy to your family. I went to high school and Graduated (1986)with Dave. We played Little League baseball together and also football from Pee Wee level to Varsity has. We got to be really close friends our senior year and kept in touch during college. After college we lost touch. Dave was a guy I always enjoyed being around and was a tremendous athlete.

He will be missed dearly. He will be in my prayers.

“ My deepest and sincerest condolences go out to the Mohl family. Dave was a good man who when you met him for the first time or the hundreth time would make you smile just because of the kind of person he was. He loved his wife and daughter very much and you also knew that whenever you saw him. I am going to miss my friend and unfortunately I will not be able to attend the viewing tonight as I have to umpire. I am sure Dave would understand. Dave Mohl is an example to all of us that God puts great people on this earth to do amazing things. Dave you did your job. Now go rest and hurt no more. Rest in Peace Dave and we will be all reunited one day in God's Kingdom.

“ My deepest condolences to you at this time... Dave was such a wonderful man, friend, and father and I feel truly blessed to have known and shared great moments together. His strength and optimism in the last 2 years was such an amazing example of his faith and outlook on life.

“ I was David's 8th grade teacher at Our Lady of Good Counsel School in Endicott, NY. His class had a reunion a couple of years ago, and the teachers were invited. What a special class they are! We talked about Dave and how much we missed having him at the reunion.

I want to extend my sympathy to his family. You are in my prayers. God bless you all and especially David.

“ I was told of Dave's passing by my parents on July 31. My deepest sympathies to Dave's family.

I was one year ahead of Dave at UEHS and had the pleasure of playing sports with him and knowing him as a friend. I remember him as someone who was a dedicated person, a person that excelled at what he did, and someone that people wanted to be around.

“ My deepest sympathies go out to Dave’s family and friends. He was a very nice person to be around and overall just good guy. I met Dave at the All Saints Church, Manassas, VA, Volleyball league back in 1991-1992. We started playing Racquetball, Tennis, and Golf together on a regular basis. He was very good at all sports, but Tennis was his best sport. I remember playing Tennis with Frank and Dave’s Father at different places in Manassas. Dave and I also went to many Penn State Football games back in 1992 and 1993. We always had a good time together. I moved to Endicott, NY in 2001 and have since met many people who knew Dave growing up. He will be missed. God Bless him and his family. Doug, Maryanna, Molly, and Joseph Benish.

“ I grew up down the street from David in Endicott, went to OLGC grade school with him and played baseball, football and basketball with him from pee wee and little league through high school at Union Endicott. He was a great guy with a great sense of humor and natural athletic ability. I lost touch with David after high school, but I am sure he continued to spread his talents and friendship wherever he went. I was deeply saddened by the news of his passing and wanted to share my most heartfelt sympathy with his wife and daughter as well as his extended family and friends. God Bless.

“ I am very sorry to hear of Dave's passing and want to express my deepest sympathy to all of the Mohl family. Dave and I became quite close through high school and then rooming together at Albany State. And although we hadn't spoken in some years now, he was frequently in my thoughts.

He will be missed greatly and is in our prayers.
