“ *Mr. Montplaisir was my Geography teacher in West Fargo High School. He and his family lived in my neighborhood. I often babysat for his children. I also got a ride in his airplane along with classmate Ronald Almer. We were picked by our classmates to receive the ride. We flew to Kindred,ND. Walked into town and had ice cream. It was a very memorable experience, one I will never forget. He was an excellent teacher always relating life experiences to his teaching. My condolences to his family and friends. He will be missed by many. Peace and Prayers, Peggy Graff Rantanen*

I remember well Dave as he and I attended the Continental Air Command Basic Training program together in 1953-1954 as members of the ND Air National Guard. I have tho't of him often over these many years, often inquiring of his brother Mike about him. So sorry to hear of his passing. I last talked with Dave when I was on a active tour in the Pentagon several years ago. We were good friends and "comrades in blue". All tailwinds Dave, all tailwinds!*

“ *Mr Montplaisr was my wrestling coach from 1961 to graduation in 1964. He used to take me to Moorhead University to get me more competition. When I won a qualifying Olympic tournament he took me to the wrestling Olympic trials in New York City at the same time the World's Fair was there. I didn't win anything but what an experience. He went way beyond for me. What a great coach and person.*
