“ Sarah, David and family,
It is with a heavy heart that I offer you my sincere condolences.
I will never forget the wonderful person that Junior was. He was my staging partner many times and always had a helping hand to lend with a smile on his face. I know we had laughs about my relentless tasks.
God Bless you all at this time and know you are in my thoughts and prayers.
Love always,

John, thank you and all the neighbors for the kindness and support you have shown my brother David and Sarah. I can't tell you how much that means to them and to those of us that love them. They could not have asked for better neighbors.
