“ Dear Bonnie and family, I will miss Penland, my old Demaine boss. I will miss his smiling face and no nonsense attitude. I will miss hearing him calling me "Sunshine" and seeing him at the Fairfax Memorial Park dinners. He had a great handshake and a great laugh. I will miss my friend. Love, Dana

“ For some strange reason I felt like Googling my dad's name and this was the first link on the list. As I read through the condolences, I was reminded of the kind of man my dad was...hard working, always had a story to tell and definitely had an amazing smile. He would have been 66 this month. When I look at my 8 year old son, Dyllin, I see my dad in him so much. It puts a smile on my face knowing that my dad's legacy will carry on through my kids. I talk to my dad from time to time, ask him for guidance and I can hear his hearty laugh in my mind. I have taught my kids to enjoy nature as my dad did. One of my fondest memories is of my dad, sister, brother and I hopping in his 58' Chevy and driving through the Blue Ridge Mountains, stopping at a picnic table to eat lunch and just take in the view of the leaves changing colors. Maybe that's why Fall is my favorite season. I miss him terribly and wish he was still here :(
