“ *I was very sad to hear about Dave's passing. It was just a short while ago that we hired Dave to work in our maintenance shop. He had lots of experience and I was really looking forward to working with him in the coming years. He completed our set, we kept saying, we have a "big dave, and then a little dave". I know that no words can console you for your loss, but know that all of our thoughts and prayers are with your family. May God bless you. Ward.*

with us. Please except our heart filled sympathy in your loss.*
