“ David, you were so good to my husband Barry (and to me as well). You helped Barry do so many chores.....planting our garden, painting, splitting wood, going to the hardware store with him and just being his true friend. I always appreciated your telling me that I was a good cook and you never were disrespectful to me when I would get on you about a few things. Your smile was contagious and I loved the way you would wide grin and throw back your head when you laughed. You loved your family and spoke so sweetly about your Mama. You know God will bless you for those kind deeds. You struggled and tried hard...all of us struggle with something. I loved your stories about your family and how you loved sports. You were a constant in our garage watching TV....always baseball or any other sport that was on the tube. May God bless you and may you know that you became part of our family. May you know the riches of heaven! See you on the other side, our friend.

“ *Barbara and family*

Jo and I are so saddened by the passing of David. Our sincere thoughts and prayers go out to your family. Jo and I were blessed to have known David and your family. He was one of the best athletes we knew. He always had a joke for you and could keep you laughing. He came down to Lake Anna many times and had the whole restaurant in tears from laughing so much. We both enjoyed his Athletic Talents, he was definitely one of the best players that crossed our paths. He also always had respect for us both. If not from softball we would of never of met such a great family. I also know the struggles he went through, I lost my dad, my brother and one of my sons at a early age. We will all meet again and get the answers and the reasons why. Keep your faith and stay strong with the rest of your family and share his memories and his zest for life We have all lost another young man with a great heart and respect for all. RIP David. May God Bless you and your family always.

“ I didn't go to school with David he came into my life much later, you were Joes oldest friend at MPHS. joe and i have talked and laughed about many stories of you. I am glad he was with you and i hope you knew he was there! We had many good years of weekends on the river I would always wake up to your smiling face a beer in one hand a fishing pole in the other sunday bluegrass playing while you waited for me to make all of you guys breakfast and many weekends in the backyard with Joe playing horseshoes. You definitely knew when I was mad at you it didn't mean I didn't love you or care! For Joe he would say love u Brother! RIP, your family is in our thoughts and prayers!!

“ Although I haven't seen you since HS. You played a significant role in my life then. I remember your constant smile. You thoughtfulness and how you'd bring me flowers or slip a note in my locker. I'll never forget the night you seranded me and Sherri. You never ever said an unkind word. Your heart was HUGE! You loved life. I'm just so sorry we didn't stay in touch after school. Praying for your family and close friends as they lay you to rest and encounter all their "Firsts."
God speed my friend. Rest easy.
