“ *David and Julie have been dear friends for over 30 years. Our son especially enjoyed times with the "Randall Girls" when small. During those times when Stevie needed a dose of testosterone, David would take him to the pond and teach him to fish. Those memories are especially cherished by our son. To Mike and I, Dave and Jules were cherished friends. Though we spent a decade or so without regular contact, we knew how to get in touch and that we had each other's backs. I remember with a smile, going to the Nats game with you both, sitting with you both at the breweries in Nelson county and laughing over names for Dave's latest brews. He will be missed terribly by all of us that knew him.*

“ The Lockheed Martin Sippican NMAC and Sourcing Family in Marion Massachusetts are so sad to hear of Dave's passing. For us, he was always there. For us, he was a great boss, who always had our backs, a mentor, and a tireless colleague. We will truly miss his total commitment to everything he did.

“ Dave and I have worked together for over 20 years during the IBM, Loral and Lockheed Martin days. Dave always was positive and upbeat and he was my right hand man for small business advocate. He was awarded the Supplier Diversity Advocate award twice for his efforts. Dave and I would strategize on how we could create a success story for suppliers that we met. I relied on Dave for his insightfulness and his knowledge and I will miss his guidance and presence. He was truly a great friend, ally and person. I still cannot wrap my mind around his passing and it has created a void that cannot be filled.

I hope that your family will find peace with the many good memories of your life.

“ From all of the people at the Lockheed Clearwater Plant in Florida our deepest sympathy goes out to Julie and the rest of Dave's family. Dave always brought a positive attitude and was willing to help everyone whenever needed at our facility. We will miss working with Dave but will always remember the many great memories he created with our team.
