“ *My Dear Marsha.
Our hearts ache for you. Dave was one of the most wonderful people that I had the privilege of working, playing, and joking around with. There is a true common theme that I noticed as I read these shared memories, Dave took care of his people! He was a truly caring professional and was taken from us way too early, May God bless you and the family in these truly tough times*

“ Dave was my Lt. on the bike team in Mt. Vernon back in the mid nineties. Without a doubt the best supervisor I ever had. He was the kind of guy you wanted to work for and he made everyone feel valued. He had a great smile and a great sense of humor. Dave love to ride with the team and whenever we went out he would say "Let's Ride Regulators" and off he would lead us. Thank you for your leadership and all the great memories. You will be missed my friend. Rest in Peace.

“ I met Dave much too late in my life. As many of you may know, Dave loved playing golf. He was an avid golfer and was a member of Evergreen CC for number of years. There he played many rounds of “bad” golf with a group called the “Slacks”. That is how I met Dave. What a great guy Dave is and we shared many “street” and “war” stories drinking our favorite cold beer. I work for the Fire Dept and he often joked about sleeping all day and getting paid for it. I responded by saying “well if you were as smart as I am, you could of been a fireman too”.

What a sudden and tragic loss this is and I feel so bad for his wife and his family members. I offer the entire Vize family my most sincere gratitude for letting us play golf with him and for endless funny stories/tall tails that kept all of laughing at Evergreen for many years. I also like to offer my condolences, especially to his wife Marsha.

GodSpeed Dave, we will take it from here

“ *A tribute to Dave Vice, our longtime family friend, shown here with my father at Danny's wedding. Someone who remained my brother Danny Cox best friend. Through their time at Capitol Police and Fairfax County Police and beyond. From times working construction with the boys and my father,...so many stories. One thing remained a constant, and that was the laughter that would ensue when we got to spend time together. My parents are so grateful for your recent visit and time spent with them. Thank you Dave.*

Rest in peace Dave.

“ I am both saddened and stunned by the news of Dave’s untimely passing. Dave was an admired and highly respected professional colleague who I had the privilege to also call my friend. We first met many years ago when Dave was working as an investigator in Fairfax County and I in Montgomery County. Our relationship was reestablished in 2006 when I was newly assigned to the Northern Virginia Academy and Dave helped with my assimilation to the Virginia law enforcement community.

Over the ensuing years, I had the pleasure of enjoying Dave’s company while attending various training conferences. Often, with just a cigar and a sip of bourbon, Dave would help me pretend that we were solving the world’s problems. I will miss Dave’s wit, his great sense of humor, and his counsel. My heart goes out to Marsha and to Dave’s children and grandchildren on the loss of such a wonderful man. Please know that your husband, father, and grandfather will be missed by so many people in the law enforcement community whose lives were touched and deeply enriched by Dave’s service and friendship.

Attached is a photograph of the day that I had the honor of passing the NVCJA torch to Dave, with the assistance and the blessing of our esteemed and highly respected colleague and predecessor, Director Emeritus Tom Shaw. Let us bid you Godspeed Director Dave Vice and thank you for your many extraordinary contributions to the Virginia law enforcement community. We wish heartfelt blessings and comfort to your family!

“ It is evident that Dave touched the lives of many people who are shocked and saddened by his early passing. Our thoughts and prayers go to Marsha and his family.
I have fond memories of playing softball and golf with him as well as working with Dave in Fairfax. I recall riding with him one Friday night when he was with the Mount Vernon Bike Team and laughing while he belted out the song “Boot Scootin Boogie” while pedaling through neighborhoods. After catching a bit of grief from me and others, he got off his bike and demonstrated his dance moves, uncaring that he had a huge audience. A sight I’ll never forget. Dave RIP, you will be missed.
