“ *Our hearts mourn when a loved- one departs, but with courage we learn to accept their absence in our lives. In gratitude, we appreciate the time that was given, and with love the memories are not forsaken. We continue to create new ones so that we can smile again.*

*Jessica & Caim - we will keep you in our prayers; we are just a phone call away.

“ *Jessica. I love you. This is agony and I wish it hadn't happened. You have all of my support, love, and inappropriate jokes which is, ultimately, exactly what I think Dean would want.*

“ *Jessica, my heart is aching for you and grieving with you and Caim in this great loss. I always enjoyed Dean's presence; his unassuming, approachable nature were reassuring and pleasant to be around.*

May we all look to your grief and this untimely loss and love more freely, appreciate more deeply and abandon fear to cling to the ones we have now and love with true abandon.

All my love and prayers to you and Caim.
