“ Hello~ I'm the ex-wife of Doug. My name is Barbara and we had a daughter named Basia born in October of 1990. I'm very sorry about your loss, and the fact that my daughter and I didn't get to know your family. I was told various things, but I think it might be nice if she had some kind of contact with you now. I looked for your family for many years, but never knew for sure where you were. I have not seen, nor heard from Doug since about June of 1998. If you are interested in your niece at all, please email me at [b022670b@yahoo.com](mailto:b022670b@yahoo.com). Again, my condolences, Barbara
