“Debbie was a dear co-worker. I enjoyed working with her and so looked forward to seeing her return to the office. She was well-liked at work and with the vendors that she bought from. When I went to a couple of recent trade shows, many of the vendors, when they found out that I was from AMC would immediately asked me if I knew her and how was she doing? WOW!  
Debbie was a great Christian and she had such a love for life! I believe that she felt that cancer was just something that she would overcome. She will be missed by all here at AMC. She is truly one of God's angels!
