“ I was very sad to hear about the loss of Debbie. She was a good friend of my Aunts. I knew her when I was a teenager. She was a 'cool' lady with a great personality, the prettiest blue eyes I've seen, and a great smile. She will be missed. To the family of Debbie's, I am sorry for your loss and wish you much strength at this time.

“ I would like to express my condolences to the entire family. I went to school with Ricky and knew Debbie from her days at Chelsea's. I was saddened to hear about her passing. I would like you all to know that I will remember the wonderful grin/smile that Debbie always had for Nick and I when we came to Chelsea's. She was a pleasure to know and will be missed. Best Wishes to you all.

“ Our friendship goes back many years. Our hearts and prayers go to all those she loved so much! She's been taken from everyone too soon for all of us, but must be right for God.

May everyone take care and look after one another. She will be missed by many, especially us.

“ I knew Debbie for many years. I first met her thru bowling, then my husband & I came to know her thru the rescue squad, because my husband Bill is a retired Fairfax County Fireman. I traveled with her and her Mom once to Williamsburg to bowl in a tournament. Debbie was a wonderful person. I always talked with her about her sons when I first knew her and then of course in the later years the topic was her Grandchildren. She had such a warm personality. I was very shocked and saddened to hear the news about her passing. I am so sorry and want to express my deepest sympathy to her family, whom I know loved her and will miss her so much.

Sincerely,
Marles & Bill Bianchi
