

Deborah Page Short

August 22, 1951 - January 26, 2024

Deborah “Debbie” Page Short, passed away peacefully surrounded by her family on Friday January 26, 2024. Debbie was born August 22, 1951, in Alexandria, Virginia, the daughter of James Garrison Jewell and Margaret Virginia (Patterson). She was the youngest of 8 siblings.

Debbie grew up in Manassas and graduated from Stonewall Jackson High School. Throughout her lifetime, she held several jobs and her most recent job was with the Fairfax County Animal Shelter where she retired. She cared deeply for her co-workers and was a champion of animals who needed kindness.

She had three children, Michelle, Jason (Erin) and Ashley (John). Debbie was a loving and devoted mother, who did everything she could for her children. She was passionate about being involved in her children’s lives and enjoyed attending their activities and sporting events. She showed and taught her children about unconditional love and made sure they knew how much they were loved.

Debbie was blessed with 6 grandchildren, Preston, Payton, Camden, Paige, Cooper and Abigail. She showed that same unconditional love for her grandkids. They became the center of her life, anyone that talked with Debbie would be sure to get an update on her grandkids. She enjoyed nothing more

than being a grandmother and spoiling them.

Debbie had a passion for life and generosity for everyone she ever met. She was full of life and always willing to give a hug to show her kindness. Her smile and personality would light a room up and put a smile on any face. Even if you only met her one time, she left an impression.

She was beautiful, caring, kind, fun, loving, and will be missed so much. She set an example for all of us to follow.

She is now reunited with her parents in heaven and will look forward to the day we meet again. Until then, we know she is driving around in heaven with her convertible top-down listening to music.
