“ *Debbie, you were always so nice to me, like a mother away from home. I could talk to you about anything and always enjoyed hanging out at the house, and you were surprisingly tolerant of the shenanigans that Chase and I put you through. In summary, you kicked ass and we will miss you dearly!*

I was so hurt to find this death notice today April 13, 2016; I was looking for a co-worker from the Department of State when I came across this. I worked with Debbie at E-Systems for about 10 years, before they closed and laid all of us off. Debbie was a GEM I loved her like a sister she was so nice to me when I moved to this area in 1988 I knew no one and she treated me like a lifelong friend. Chase was truly the love of her life she loved her little boy so much. I will pray that God give you strength don't worry about your mom GOD is in control and she is at peace.
