“ I was a co-worker at the City of Fairfax with Delores for a number of years. She began as the cemetery attendant for the city and she took great pride in caring for the cemetery and it certainly reflected the care and love she invested in it. Later she held another position with the city that enabled her to support all departments of the city and she was well known and respected in this position as she was in her prior position.

*She was a great friend to me and many of her coworkers at City Hall and I will miss her greatly. My thoughts and prayers are with Bobby and her entire circle of loved ones. I am a better person for having Delores as my friend. Bob Sisson*
