“ We are saddened by the loss of Diane. Even though we hadn't had a opportunity to get to know Diane better after Karen and Jason's marriage in October 2014, we understand she lived a fulfilling life. Diane was surrounded by a loving family and extended family. We are blessed to have her daughter, Karen, in our lives and know Diane continues to live on through Karen, her other children, Dawn and Kent, and their families. With our love and respect, Martha, Rick, and June
