“ Diane and I were friends all through high school and we graduated together in 1964 from west side Hi along with her husband Jack, who I grew up with and was like a brother to me! We lost touch after we all got married and moved out of Scranton. I have searched for them in recent years on facebook, and only lately found out that they have both passed on. I am so sorry to hear this news, as I was so hoping to re-connect with both of them! we were all such good friends at one time and it would have been great to be able to at least chat via FB. well, we will all meet again someday and will have our reunion then! If anyone reads this and wants to get in touch with me via FB, my name is Mary Ellen Bradshaw and I'm in Shelbyville KY. I would love to hear from anyone who knew Jack and Diane and would like to share some memories, whether it's family or friends. I loved them both and still think of them often!
