“ Dawn and family,  
I am shocked to hear the news of Diane's passing. She was my classmate at Ste Marie HS in Manchester, NH. I spoke to her a long time the spring of 2018 and she told me about her family. She was so proud of her children. She told me she would fly to NH for our 50th reunion. I was really looking forward to seeing her at our reunion in August, but she notified the committee this summer that she could not attend. On December 26th, she should have received a copy of a Memory Book I made of our class, including reunion photos. I hope she was able to look at the book. My condolences to her children and grandchildren.

“ Mom, I can't believe you are gone so soon. Cancer took you too quickly. I take solace in that you are now out of pain. I will miss you, our talks, your laughter, and sharing a bottle of wine when I visited. I will do my best to honor all of your wishes. I love you ~ Dawn
