“ *Diane and I worked together at Bell Atlantic and met in Arlington when she was working the frame :) she always had hersheys chocolate and would share with everyone lol I used to bring the grown kids over to her moms house to help do gardening and weeding, there was always something new to do, although I was horrible at it ;) The kids loved her hottub when they were little. Then once she moved to Gainesville my youngest son and I would visit, she really adored him. Adin my son loved playing with Lola. Sometimes we played tv technician or pc repair if she had any issues. feeling a bit bummed that I never got to see her Africa photos, I had talked to her about seeing them and never heard back. Really sad she passed on....*
