“ Dianne, You were such a gentle soul whose life brought smiles to us throughout your life. Your love of cats and family were the focal point of your life. As a Christian I know God welcomed you home to be with your sister Linda and your Mom and Dad. We will miss your daily calls to check on us and see how we were doing and tell us what you were going to do during the week.. Sleep in peace dear cousin. You are missed. Sandy and Jerry Martin

“ Dear Lanny, I am very sorry to learn of Dianne's passing. I am cousin Carey Corder's wife and have lost touch with with all of you since Carey's death four years ago. Dianne was such a special, loving lady. I know she will be missed by all those who are so close. Carey always felt so close to all his Wood family. His mother was Irene. I pray for each one of you during this time.

Hello Mary Alice, this is Keith Long, one of Clay and Winnie's grandchildren. My mother, Linda, was Dianne's oldest sister whom we lost in 2017 very suddenly. Thank you very much for your kind words about Dianne. God Bless you! Keith

Yes MaryAlice, thank you for reaching out and for your kind words. We all know of Dianne's love of cats, but in recent years Dianne also developed an interest in cooking. She learned how to cook coconut cakes for the weekly Church dinners. On the morning of the dinners, Dianne would go to the kitchen to start preparing, She knew the recipe and made sure she had all the ingredients ahead of time.

The Church attendee's always enjoyed her cakes, and there were never any leftovers

I know it gave her pleasure

Thanks again
