

Dolly Frances Rise

May 8, 1936 - February 13, 2021

Dolly Frances Sizemore Rise, a long-time resident of Manassas Virginia, died on Saturday, February 13, 2021 at the age of 84.

Dolly was born in St Charles, Virginia on May 8, 1936. As the youngest of eight siblings the Sizemore family moved to Cumberland, Kentucky where she spent most of her childhood watching her two eldest brothers go off and return from action in WWII and graduating from Ms. Huff's Seventh Grade Class of Cumberland Elementary School in 1950. Dolly was and remained proud to be called a coal miner's daughter!

Dolly spent her adult life supporting her husband's military career taking care of her two sons as the family traveled frequently from Kentucky, Ohio, Indiana, Florida, Virginia and two tours in Germany. Dolly proudly and bravely served America when duty called her husband to service in Vietnam twice, keeping the lights and hopes on here at home.

Dolly will be remembered for her wonderful smile, love of shiny jewelry, dressed to kill, and her quick wit often referred to "pistol" personality. Dolly is survived by her two sons, Ronald Bruce of Purcellville, VA and Ben Edwin of Madison, AL and Sister Dorothy of Kentucky. Dolly leaves seven grandchildren, three great-grandchildren.

She was predeceased by her siblings Charles, Frank, Owen, Marcus, Janette, Thelma and parents Clarissa Morris Sizemore and Owen Sizemore of Cumberland, Kentucky.

In lieu of flowers, donations can be made, in her memory, to Saint Jude's Children Hospital.

“ I am so sorry to hear of Dolly's passing .
This beautiful lady was genuine and kept it
real.

She could make me laugh till my sides hurt . I
always looked forward to seeing Dolly at any
and all Rise family functions. To me she was the life of the party,
sorry guys , but true . LOL
never a dull moment with Dolly around ! I loved her honesty when
giving her opinion on any subject!! Weather you asked for it or not .
LOL That's what I mean when I say she kept it real .what a terrific
sense of humor she had . I always felt we understood each other on
a higher level , a level without words .I'm very grateful to have had
the opportunity to be a part in her life .
Dolly I will miss you very much ! However ,Knowing you are now in
a better place ,a place with endless amounts of jewelry for you to
enjoy ,brings me much peace . Please watch over us for I know you
are an angel .
