“ Dear Royce:

You're in my thoughts and prayers, but you know that. May peace rest upon you and yours as you all move forward, and as your mom moves forward too.

“ Heaven must have needed another "Angel"...Doll, as she was so appropriately named, was a true "blessing" to everyone who had the good fortune to know her. Though she will be "sorely missed" by everyone, her legacy will live on in her children, grandchildren, great-grandchildren and friends...

We love you and miss both you and Moe...Herb and Gretchen Robinson

“ *What wonderful memories I have of "Mrs. Robinson"! She was a beautiful person and I can hear her laugh as I sit here thinking of her and the good times we shared.*

She was one of a kind and I have thought of her often through the years. I am so happy that she had such a long life and was loved by so many.

I hope she is having a cup of tea with mother in heaven and they are sharing all the memories of their loved ones.

My love and condolences to the entire family!
