We have been friends since the 50's when we lived on Seminary road. We use to ride ponies down to Shirley Duke and sell pony rides. Had some fun times. We stayed in touch all thru the years- and would see each other once in a while. She would come to our Johnson reunions, and we always got Christmas cards from each other. She was a dear friend and when we did get to see each other in person, we always had so much to talk about. She also has a very special place in my heart, "You can't buy old friends"- RIP My Dear Friend
