“ Our sympathy to the family. Was so surprised to read of Don's passing. I worked with Don at Nepera for many years and had just heard again from him when he moved to Virginia. He was happy to be by his family and had said what great neighbors he had and was really settling in. Prayers and thoughts are with you at this sad time.

“ I was very saddened to hear about the passing of Donald...I worked with Don at Nepera in Harriman, NY for many years, most of that time in the same department - Donald always had a way of adding humor to the day - we shared many conversations and I do remember how important his family was to him -

My husband also came to know Don during this time so we both want to express our deepest sympathy to Don's family..

May his soul rest in peace

“ Donald was a part of my life for 13 years. He was married to my mother Carmella. We heard the news just a few days ago from the local paper in New York. Our family is very saddened to here of Donald's passing. He has been thought of often over the years and was always very kind and generous to my sister Cindy and I as well as our families. May he be at peace now and know that he will be missed.

Sincerely,
Debbie, Cindy & Richard

“ We were very sad to read about Donald passing away. We moved from Monroe a few months ago and lost touch, we didn't realize he had moved to Va. Our thoughts and prayers are with you all..
