“ Thinking of Shirley and her family at this difficult time. Mr. Coulter was as wonderful man. Take comfort in knowing that you'll have a glorious homecoming in Heaven some day soon. Love and prayers from Charlotte Rowe.

“ It was a pleasure to know Mr. Coulter and be his neighbor. He was very patient and would be impeccably dressed, carrying his Bible, on the way to church every Sunday for decades with his lovely wife. I miss how he used to drive his brown and white truck.

One time, two thieves stole the Canadian geese statues out of Mr. Coulter's front yard. The police retrieved two geese statues the same night and returned them to the Coulter's, only to discover that they were not the same geese that had been stolen.

“ *Mr. Coulter will be missed very much by his family as well as the neighborhood. I personally will always remember him as someone who was always much closer to me than your ordinary neighbor but more of an extended family. I think I probably spent just as much time in his house as I did my own. I remember the things he taught us about developing film; that was pretty cool. I hated he had tough times but I know he is in the heavens looking down on family and friends ready to help guide everyone as he always did, always willing to help. He is not suffering any more. God Bless Mr. Coulter forever. Amen*

“ I have many fond memories of our neighbor in Manassas Park beginning so long ago. I'm not sure what to say about the guy who got me my first real job including coaching me on how to interview (since I didn't know how), who schooled me on the benefits of saving money, who carpoled (drove me actually) to work, and was a wonderful neighbor who many many years ago introduced me to chocolate ice cream. Ice cream only comes in vanilla!, or so I thought until then... Donnie and my dad were fishing partners. Few weekends slipped by without them being on the water, first in a small aluminum boat with a trolling motor then later on a larger boat but always with the same enthusiasm for being on a lake or the Bay. I'm sure I'm forgetting many other memories but can say Donnie is a one of a kind person and will be sorely missed.

“ What can I say about Pepa? Only good things. He was my friend, my father-in-law, my daughter's grandfather and my grandchildren's great-grandfather. He was a loving and giving man. Donald Eugene Coulter, a.k.a. Pepa, you WILL be missed but never forgotten and always loved. Have fun in heaven!!!!!!

“ *Psalm 34:18 “The Lord is close to the brokenhearted and saves those who are crushed in spirit.”*

You are in my thoughts and prayers. I loved Poppop very dearly and my heart breaks. I'll never forget his welcoming smile, his laugh, his country hat, and the excitement he had when Mommom would make spice cake because he knew it was my favorite. I will always remember calling the house phone and talking to mommom and poppop at the same time, because he would always pick up the other end. Sending all my love and condolences. - Sam

“ *Pop-pop was the epitome of The Christian faith. His life and actions exemplified Christ so much it would be hard to deny that he had God's love in him. His entire life showcased how God loves us, through sacrifice. He sacrificed to provide for mom-mom and his children. He sacrificed his life in service of our country. He sacrificed his time and livelihood for the well being of his grandchildren and great grandchildren. No matter how he felt he always did what was best for others even if it meant neglecting his own needs. I take his example to heart and pray that I can live to be at least half the man he was to my family. Love you pop-pop.*

“ *I've known pop pop for my whole life, and though he wasn't MY grandpa, he always felt like it, && always made me feel like one of the grandkids when we were over with all the family. We would go to Costello as kids and would be able to hop the fence to go visit him and mom mom. He was always so wonderful. He was always up for coming or to eat after church or for a birthday. Always there for him and mom mom to send a birthday card, or a Christmas card. Just always so wonderful. Always welcoming. Loved mom mom so much. such wonderful role models. I could go on and on, but I'll just say Love you pop pop! I hope you rest in peace, you are already so so missed by so so many & we'll see you again some day <3*

All of you are in our prayers and we are so sorry for your loss and for our loss of a good friend. The years have come and gone but we still remember all the good times we had and think of you all as family more than just friends. “ Shirley, Jerry & Sherry,
Rusty & I have all of you in our prayers. We've been friends for a long, long time. I remember when you & Donny moved in next door to mom & dad. We really had some wonderful times and couldn't have had better neighbors. May God bless you and help during this time. You have the joy of knowing Donny is with his heavenly father. What a wonderful reunion it will be when he and dad are together again.
I love all of you so much.
