*Dear Donald and Family,
So many good memories of you and your whole family to remember and cherish. You were a good man, an honest man and a great husband and father. I've always liked you, Donald, as you always told it like it really was. I loved your mom and dad and brothers (and sister), too. You came from a good family. Your mom and my mom were sisters, which makes us "kissing cousins" as some might say. Anyway, I will miss not knowing you are here on earth, but having such a good time up in heaven. You deserve all the love your family gives you.
Your cousin,*

I know this is late. Don and Sandy was such a great neighbors. After we moved to Louisville, ky, they came to visit and adopted Goldie. I was surprised to hear of Don's passing.
