“ To the best Father-In-Law anyone could have,
You have always been kind and welcoming. Supportive of our likes,
choices and intelligence. Loving without end to me and the children.
So glad you did not suffer. Your mortal body would not last as long
as your strength of mind and will. You will be remembered and
missed fondly and with love.

Love,
Katie

“ To the Family: I wanted to send my deepest and sincere condolences during this unfortunate time in your lives, but I also wanted to share with your family a comforting promise that God gives in his Word the Bible about the hope of us seeing our dead loved ones again, it's found at John 5:28,29 which in part reads:"Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life,". Your family will be in my prayers, my sincere condolences.
