“ *Donnie and my family were neighbors for 19 years. We shared so many good times just hanging out at the house and working together. We often sit around and tell stories of all the things we got into. One thing about Donnie he had no filter and he told you whatever was on his mind. Donnie had a good heart and enjoyed hanging out with the family And friends. We have a lot of good times and have hundreds of fond memories. I remember the time Donnie kept after me to let him go hunting with me so I finally gave in and we took him to Massanutten for the week. Now that was experience we will never forget. We had so much fun out of him that week. Donnie you will be missed. Laaaaaterrrr bicycle*

I loved you like a brother, you were a hero and a legend to local dirt bikers and bmx kids in the area back in the day...The story was some motocross guy on a RM 125 out ran the police on his dirt bike in Ben Lomond and jumped over the police car when they tried to block his exit out of the pit. That was quite a story for me. We did alot fun things, I also discovered your mother passed. She was like a mom to me. My parnets kicked me out and she rented me my first room. I moved to California to be a rock star and never made it back to old manassas. I will always recall some great times with you Donny. Love Always....Fly high on the Motocross track in the sky... Godspeed your lil bro Jay.
