“ *Dear Cousins and Families,
My sympathies to you all.
It has been decades since I was with First Cousin Don. As a new fireman, he was so proud to show me around his fire district in the late 60's.
Vaguely recall how we dosed several cars with sand in gas tank on a Cape Cod vacation in mid 1950's. It surprised us that the cars didn't run well treated that way. We did get in trouble then.
Hope and Healing to All.
