“ I just saw this obituary. I have very fond memories of Uncle Don. Sorry I lost track of him as I got older. Him and his brother John were my favorite uncles. May they both be Resting in Peace.

“ It's a shame I just came across this obituary. This was my Uncle Don. I have fond memories of him when I was a child. He was my adopted mother Julia's brother. I married young at 18 and lost touch with most of my relatives. But Uncle Don and his brother John were always my favorites. May they Rest in Peace.
