“ I had the pleasure of Coaching with Don with 2 different baseball teams. Don didnt just teach baseball to youngsters. He shared his love and passion for the game with them. This is easily evident to see with his son Ryan. Every child was treated the same regardless of skill level. Because of that many excelled faster. Don will be missed by many. Thoughts and prayers go out to Ryan, Carolyn and his many friends and family.

“ Big Daddy was a great friend, great analyst, great colleague, and always put a smile on your face. He was always available for a question about anything. I never made it into the inner circle of the Fantasy League, but it was legendary within the community. Big Daddy you will be missed. Your Family will be in our thoughts and prayers.

“ Carolyn and Ryan, I was shocked to hear of Don's passing. He was an outstanding boss to those of us in Indianapolis but we all considered him more than a boss, he was our friend. I will miss him and will be praying for you both.

“ My daughter, Lizzie, was lucky enough to be on Coach Don's team for 2 seasons. She knew absolutely nothing about baseball when she started but Don was patient and taught her the right way to play and behave on the field. He was one of her biggest supporters and he's the reason she LOVES to play ball. Of all the coaches she's had over the years, Coach Don is the one she talks about the most. Carolyn and Ryan, my whole family aches for you. RIP Coach Don..you will be missed by many.

“ Words will never be enough to express how much of a loss we have suffered when we lost "Coach Don". He was one of those people who made a positive and memorable impact on everyone he met. My son Tyler was one of the luckiest kids on earth to have had such a patient, loving & compassionate person as his baseball coach for two seasons. To Carolyn & Ryan, our love & prayers are with you always.
