“ *Uncle Donnie was watching Oubie, me, and Jackie-he said he was going to the bathroom. We said it's straight down the hall. Well.....he went down the hall, turned left and fell down the basement stairs. We heard some yelling and a lot of noise. We went to see what happened and fell in the floor laughing, laughing, laughing!! Luckily he was alright. I will always remember this - I love you Uncle Donnie with my whole heart❤️*

“ *Uncle Donnie was the life of a party. Always laughing and loved having a good time. He was a great uncle. He came and picked me up and I helped him and aunt Lousie move from the city to Culpeper. He had me laughing the entire day. He will truly be missed.*

“ I am sure saddened by hearing of Donnie's passing. He was a hell of a man and I cherish all the many memories I have with Donnie. He certainly taught me a great deal as a youngster at Fairfax County, and he sure had a great sense of humor making him fun to be around. Louise and Denna I know how much this hurts you two, and may the good lord comfort you in this time of need.
