Campmeeting is just around the corner, but you got to go to the
greatest campmeeting ever!!! What a wonderful example you were
to me every year for work days and whenever we saw each other.
Always had a smile and asked how we were doing!!!

“ One of my earliest good memories of my childhood was the weekends my family would spend with the Wyant family back in the late 1990's. He would open his door to us during revival weeks as we lived far away. I'll never forget his generosity and kindness. My thoughts are with the Wyant family.

“ I have many, many fond memories of working with Bro. Don. He was a great friend, mentor, and example. What a life he lived, and an example he set for us all. I remember the many houses that I would work with him renovating with Bro. Moore. We had many stories and laughs over the long days of hanging drop ceiling together or digging trash out of houses, or working on the campgrounds. To some, these may not seem like much, but they are memories I'll forever hold dear.. Even with a long, beautiful life lived, we always say "gone too soon". I'm thankful for the times well spent together. The memories made and the fact that he got to meet my daughter. Thank you, Bro. Don for the wonderful friendship and example. We'll meet again soon.

With much love,
Bro. Andrew, Sis Marissa, and KimberAnn Foltz

“ *Anyone who has had the privilege of working with Bro Don on one of the Lord's projects understands how pleasant and gracious he was. He brought joy with him everywhere he went. Every project from Grand Cayman to Alabama to Ohio to Manassas and more, Bro Don's bight smile, warm handshake or hug and genuine interest in others made him a light for Christ in this dark world. He will be sorely missed and remains unreplaceable. We pray that his family, friends and congregation will feel our prayers for them during this difficult time.*

“ *I have known Donald Wyant all my life, since he was my mother's cousin. I have quite a few fond memories of him during the years I was growing up, but he made the biggest impact on my life after I reached adulthood. He was my husband's best friend, and served as best man at our wedding. When Todd passed away unexpectedly two and a half years ago, Bro. Don stepped in and helped me with numerous tasks involved with selling off Todd's plow trucks and other equipment I had no use for, and giving me plenty of excellent advice about how to handle different things that came up as I navigated the difficulties of life without a husband to handle things for me. Plenty of times, Bro. Don would call me and ask if there was anything he could do to help me, and that meant so much to me! He was not my uncle in the technical sense of the word, but he was an uncle in every other respect. I will miss him greatly! A kinder, more caring man would be impossible to find.*

“ Sister Belinda, I can truly say I feel the very beat of your heart and your great loss. God blessed you both to travel this journey together ,hand in hand, side by side. I treasure the times I took your pictures, I could see and feel the love you both had for each other. I could also see and feel the warmth of Gods love in your life. Brother Don was truly a blessing to all who knew him! May the Lord wrap His arms around you each and comfort as only He can. Heaven will be worth it all!

“ If we ever witnessed the true gift of helps, it was seen through Bro. Don. Ever since we can remember, He was always known to lend His helping hands to church work, to widows in need... whatever the need, Bro. Don could be seen there. We feel honored to have known him and privileged to have been on the receiving end of his wisdom, knowledge, and kindness on many occasions. Much love and prayers to Sis. Belinda, his dear children, grandchildren, and close family. Love, Bro and Sis Lattimer

Brother Don and I loved bike rides out in the country. Often times I am out there thinking of him and the tears start to flow as we pass his favorite field with all the sheep and cows. My heart goes out to you Sister Belinda.
