“ Our deepest sympathy to the entire family but special hugs to Alyssa. We will never forget how Donna always made us laugh. Especially when she did the Sonny and Cher routine for our parents 50th wedding anniversary. She was always such a good sport. We always loved you, Donna.

“ Even though it has been many years since seeing Donna, just thinking of her always makes me smile. Whenever she came to Pittsburgh she was ready for fun and could easily have all the Boehm sisters laughing uncontrollably. A favorite memory is the “synchronized” dance she coordinated in Mary’s pool. Your video, like Donna is beautiful.

God bless your family in this very difficult time. Please know we are keeping you in our thoughts and prayers.

“ I met Donna when I needed a CPA for my Mother years ago, as a result we became very good friends, she loved her family and friends, she loved to laugh and she was so funny and witty. She taught me how to play Texas Hold em and thus we embarked on our private "sandbox" at poker. She was there for me through thick and thin and I love her very much! It will be one of my fondest memories of her and Bonnie Boleyn and I, last week having dinner and laughing and showing photos of grandchildren. We reminisced about goofy things we did together as friends and I am honored to call her my best friend! My thoughts and prayers are with her children and family and may she be forever blessed and rest in peace. I love you Donna and you will always be in my heart.
