“ I've been blessed to know you for almost 30 years. I'm grateful that my brother & your niece have been together since high-school. If not I wouldn't have been blessed with knowing you. Our families welded together beautifully. Everytime I seen you - you were so nice to me. I'll miss hearing your beautiful laugh that could make the saddest person smile. I'll miss the sparkles in your eyes that lit up the room when you walked in. I'll miss you at the family holiday parties and cookouts, it just won't be the same. We will save you a seat and I know that you will save us all a seat. You are going to be missed so very much Aunt Donna. We love you. Now rest peacefully.
Love Always,

“ Aunt Donna,
There's not enough words to say how much you will be missed. The holidays and cook-outs will not be the same without you, your smile and that laugh, that only you have. Friday evening left so many to mourn. You are loved and will be missed by many. You are in the best hands now, rest in peace.
