“ Donna  
You were absolutely the funniest aunt I could ever have. I miss spoons, and just having you come home and sit in "your chair" and fall asleep. and when we would turn off the tv you would wake up and say i was awake. So many good memories. I love you auntie and I visit your site often. I took my daughter to see you for the first time in almost a year and you passed away that night, I feel like you were holding on to see her. I know your with me and I will continue to think of you daily.

“ To Donna's family -- you have my condolences. We always had the best time together at the All Saints Festival, where most of her money (and that of her sister) were spent at the Choir booth! She made all of us laugh. We will miss her. Rest in peace.

“ To Donna's family. Sorry on the loss of Donna. She will be missed by all. The girls up at the field loved to play ball for her. My 2 oldest got to play for her for many years. I wished my other 2 could have played for her also. It won't be the same up there without her.
