

## Donna Lee Shaw

March 7, 1938 - April 15, 2014

DONNA PERKINS SHAW, age 76 on Tuesday, April 15, 2014 with her husband and children by her side at Virginia Medical Center, Arlington, Virginia. Darling wife of Bob Shaw for 45 years, mother of Joey Shaw of Auburn, Alabama and Vicki Joseph of Golden, Colorado; grandmother of Lacey Fuss of Golden, Colorado and Josh Evan Shaw of Auburn, Alabama.

A native of Colorado, Donna had lived on Bull Run Mountain in Haymarket, Virginia for over 40 years. Those who have had the fortune to know her will agree not only was she extremely intelligent, but also the sweetest person who ever lived. She retired after a career of over forty years with Cambridge Realty Investment Trust.

A gathering of family and friends will be held at a later date to celebrate her life. Her favorite song was Buddy Holly's "True Love Ways". The man is in his seventies, he stops to think of her again, she was his greatest treasurer, she stuck with him thru thick and thin, but when she passed away, part of him died too, and one is a lonely number, when it's been half of two.

In lieu of flowers, contributions to ASPCA.

Condolences may be sent to [www.piercefh.com](http://www.piercefh.com).

“ Dear Bob,  
Donna was my best friend and I know how much you will miss her. We had the most wonderful times together when we went to college in Denver and were roommates. We both worked at the same Martin Marietta Company for several years. She was so full of fun and enjoyed life so much. I will miss hearing from her. God Bless You  
Sincerely. JanViolett

“ Uncle Bobby, Joey and Vickie,  
Although it has been awhile since we have seen each other, I am saddened by Aunt Donna's passing. She was always the kindest and sweetest person to us and everyone I ever saw here interact with. She was the definition of class and a lady. You have my thoughts and prayers during the time.  
Love and God Bless  
Mike Harbour and Family.

“ Dear Shaw Family,

My thoughts and prayers are with you and I pray that your memories of this dear dear lady give you the comfort and strength needed to move from one day to the next. As many folks have shared here, Ms Donna (or as I call her, Banana) is one of the kindest, smartest, funniest gals I have ever met. We spent many hours in the office we shared laughing about anything and everything and discussing the mysteries of life, love and the canine mind. Ms Donna is and always will be my four legged child's favorite grandma. Peace and love, Banana!!!

Love,

Kathleen and Jack

“ Dear Bobby, Joey & Vickie: Aunt Dottie was very dear to me. Her and Bobby were about the same age as me so I felt more like brother and sister than Aunt & Uncle. We had many good times together as a family and I am so happy that I got to see her not long ago. She was one of the best people I knew and I know your life will never be the same without her. Bob be strong and know that she is at rest now and no longer suffering and I am always available to talk.. Love to you all and God Bless You all.

“ Bob, Joey & Vicki,

*I worked with Donna during her time at Cambridge and never have I met such a beautiful soul. Her love of family, books and dogs made us close friends at work sharing our stories of crazy dogs antics as well the latest book to read. Donna becoming a Grandmother I believe was one of her most treasured moments in life and brought smiles and tears to both our eyes.*

*Love you Donna and may your family have comfort to know that she touch so many people lives.*

“ Dear Shaw Family,

*I had the pleasure of working with Donna from 1997 until her retirement from Cambridge. My fondest memory of Donna is her ever present smile on that sweet face; what a kind and caring person she was! She had a wonderful disposition and always had a kind word about everyone. I truly enjoyed our conversations and her insight into life. I will miss her.*
