“ I met Mike in the early 1980's when my daughter and I were in our door to door ministry. She was only 7 or 8 and Mike couldn't say no to a child. Short time later I met Ava and a study was started. They became part of my family. I loved Mike's sense of humor, kindness and always there to lend a helping hand. I look so forward to seeing him again in a healthy state. I love Mike and Ava so very much. My thoughts and prayers for you both. Ann Wilkins

“ We really got to know Mike when we helped him replace his sewer line at his house. Then, when we would run into one another at the Kingdom Hall, we would always find the time to chat with one another. I knew when I met him that he was a wonderful man and brother. Ava, we love you and our thoughts and prayers are with you. It won't be a long wait until we are all laughing and happy in the new system!

“ Mike I am thankful God gave me the opportunity to marry your sister Gail and meet you and your family. I always thought a lot of you. You were a hard working, smart, fun loving family man. A joy to be around. Thank you for accepting me in and always making me feel welcome. Thank you for all the laughs. Thank you for sharing your faith and the talks about it. Thank you for helping me with my home projects and for your example. There is a void in our family now that only God and love will be able fill. I pray we as a family will let HIM. I remember your last request at our family reunion, that we continue them and love one another. I too hope we do. GOD is GOOD you were a true blessing. I miss you and will remember you and yours often in my prayers. Love you brother, Richard
