“ We didn't know Doralee as well as Jim's older siblings. But we always felt welcomed and loved in her presence. We went to see her just a short time prior at Kim's and she spoke with a happiness in her voice between the coughs. It made me envious that I didn't grow up with her. (She was the same age as my mom.) Sitting around the dining room table, when Jim's family would be there for a holiday, Doralee was spoken of with such admiration. I am sure that she was welcome in heaven in the arms the of our Lord's loving arms. Doralee was a gentle, loving, caring soul. Heaven is even richer now with her presence, and this world a little poorer.

“ Doralee was loved by not only her family but by everyone who knew her and she will be greatly missed. When I was a small child I remember looking over at Doralee and she was always smiling. When I visited her shortly before her passing, she was still smiling. I believe that is because after talking with Doralee, I am confident that she knew she would soon be in the presence of her Lord and Savior Jesus Christ and that she was ready to be with Him.

“ Oh Giggy, I'm sorry to see you go. You were a great Giggy and I know even a better great grandma Giggy. You were always so kind and sweet to me and my siblings. I remember the days we would play hide and seek at your home, and all the other fun family events. You were part of some of the best childhood memories I have and will never forget. Thank you for always welcoming us, loving us, and being there. Sending my love!
