“ *If only once, it was a pleasure to meet her. At the request of a family member, she welcomed me into her home for the night so I could rest on my drive home from Florida. She made me feel like family. We had pizza and played Yahtzee. With a heart like that, I'm sure she will be missed! Luvies. Sue Larsen*

“ *Doris was a kind loving soul. It was my privilege to call her my mother-in-law for many years. She was Mom and Mama and Granny and Aunt Doris. Her greatest role was Doll. I will never forget her smile her laugh and her heart. I hope you are dancing. Rest well.*

“ I love her dearly and will miss her until we meet again. During my teens she was like another mother to me, where she was always the voice of love and acceptance no matter what. Even when family bonds were broken she was there for me. Doris never met a stranger, she was a lover of people, persons and mankind. I'm a better person for having known her. Our world now has a Doris shaped void in it and we'll just have to press on. Take a lesson from her on how to live and how to love and she'll live on through us all.

Rest In Peace, Granny

“ Aunt Doris was the live wire in the Earhart family and kept Uncle Leo on his toes. She was always so full of fun and really made us feel welcome in their home whenever we visited. And she was such a good cook. I was always amazed how she put out all that good food in that little kitchen at the drop of a hat, but she always did it! Know she will be sorely missed by all her children and grandchildren and by everyone who knew her and loved her. We send our condolences to you all at this sad time and will keep you all in our thoughts and prayers. Betty Earhart Webb and Ed and Connie Earhart
