

Doris Ann Johnson

August 16, 1935 - February 15, 2015

Doris (Kline) Johnson joined her husband Bill in eternal rest Sunday February 15th, 2015. Doris was an active and athletic teenager playing basketball and cheerleading. She was a loyal alumni of Osbourn High School. She married her love Bill Johnson on March 17th, 1962. Doris then joined other Johnson family members and lifelong dairy farmers settling into life at Clover Hill Farms. When not tending to her beloved Jersey cows, you'd most likely find Doris pitching in any way she could. Perhaps judging contests at the county fair, shouting proud for her beloved Hokies, or more likely than not, dipping her toes in the sand in Bethany Beach, Delaware. After losing her husband in 2010, Doris found a new family to care for and support. She spent hours at Grace United Methodist Church, again doing any task she was called for. She was also defacto grandma of her cul de sac and a wonderful friend to her many neighbors.

Doris was preceded in death by her husband Bill, her parents Oscar and Nellie (King) Kline, and a baby sister Susan Kline. In addition to her family at Grace United Methodist in Manassas, and her fellow Virginia Tech Hokie fans, Doris is survived, remembered and honored by her first born Keith Johnson (Anita Faircloth) and their children Savannah, Hailey, Erica, Jake and Chloe of Warrenton, VA and her last son Ric Johnson (Anne Kacmarcik) and their children Catherine and Matthew of Newark, Delaware. Doris truly adored her grandchildren and felt eternally blessed to have them in her life. She celebrated each of their talents as often as anyone would hear her.

Doris will be remembered at a viewing Tuesday, February 24th 5pm to 7pm at Pierce Funeral Home, Manassas, VA. Services honoring her life will be Wednesday, February 25th 11am at Grace United Methodist Church, Wellington Road. Interment to follow at Stonewall Memory Gardens. In lieu of flowers please consider a donation to the Grace United Methodist Church Building Fund, 9750 Wellington Road Manassas, Va 20110 or to the Johnson Memorial Park Bench fund, 423 Vanier Drive, Newark, Delaware 19711. This will allow us to place a bench, dedicated to Doris and Bill, in the Atlantic Watergate Community in Bethany Beach, Delaware where Doris and Bill spent over 40 wonderful summers.

“ Even though our family only knew Doris for a couple of years, we came to know her as the most welcoming lady who always had a smile on her face and couldn't wait for our kids to get outside so she could come give them a squeeze! I will always cherish my last visit with Doris and the conversation that she had with my 3 year-old son about sharks and whales. She entertained his imaginative story about how he got eaten by a shark and asked him questions about what it was like :) I will greatly miss seeing her and hearing about her beach adventures and wonderful times with family. We're very sorry for Keith, Ric, and family, and to all of her many friends.

“ Just a terrific lady from the first day I met her when I drafted Keith to play on my little league team and later when I coached rick better known as "homer" later in life we saw each other in grace church. I will truly miss her smile and conversation about how each of our family members would be going through a health crisis. Mrs J, God bless you as there is another angel in heaven. RIP you will be missed

“ Keith and Rick, I have many wonderful memories of your mother! She was my mom's best friend and spent many afternoons just hanging out!! She would always give us a penny when we asked for one. She was among the first to stop by when my mom passed as she had lost her best friend, but now, joined with your father, they are together again catching up on lost time. You both are in my thoughts and prayers in this time of sorrow and I will always remember your mother as the kind woman full of grace that she was!

“ God has called home a dear friend. Many wonderful memories have been shared with Bill and Doris and they will forever warm my heart and help to heal the sorrow that all of her friends and family feel at this time. To Keith, Anita, Hayley, Samantha, Erica, Jake, Cloe, Ric, Anne, Catherine and Matthew you were so fortunate to have such a loving and caring Mother and Grandmother. Family and dear friends were Doris' most treasured keepsakes. Rest in Peace my friend, you will be missed but never forgotten.
